

R&D and Pilot

Precise temperature control

- Solvent Package
- Pirani /CM end of Primary drying moisture determination software
- VHP
- 21 CFR Part 11

BENCHTOP ADVANTAGE PRO

GENESIS

- Controlled ice nucleation technology (ControlLyo),
- Built-in intelligent recipe design (SMART)
- Advanced moisture determination methods TDLAS

LYOSTAR

Production

VHP option

OPTIONS:

- 21 CFR Part 11
- Solvent Package
- Pirani /CM end of Primary drying moisture determination software

ULTRA

- CIP
- integration into aseptic processing line
- automated loading/unloading systems

BENCHMARK

GMP

CIP & SIP option

- Integration into aseptic processing line
- Automated loading/unloading systems

LYOCONSTELLATION (FROM 1M2 - 13M2)
